The North-Carolina Freedmen.

The bureau has just received a report from the assistant commissioner of Freedmen Affairs for the State of North Carolina, which contains the following matters of interest: The number of destitute and dependent freedmen has been gradually reduced to such an extent that issues of rations may soon be extent that issues of rations may soon be discontinued. The demand for labor still City of Raleigh, to be called the greatly exceeds the supply. Notwithstanding this fact there are still large colonies of freedmen at Roanoke Island and Newbern who are not earning their support. The freedmen at Roanoke Island have been notified that they would receive no more supplies after May 1, and strenuous efforts are being made to effect their removal. This is not the case with regard to the paupers about Newbern, on account of the prevalence of small-pox in that town. That malady is now decreasing, and Captain Seely, the local superintendent, has already rented a farm, uppendents, and require them to do something toward their own support on which he intends to place some of the detoward their own support. The Conflict of Jurisdiction. Reference was made in the Express of yes-terday relative to the apprehended conflict of jurisdiction between the civil and militay authorities in this city, in the case of Elliot Gordon, a young man hailing from New Bedford, Mass., awaits his trial in our jail,

before the May term of the Hustings Court. He had a preliminary examination before the Mayor, and was committed for trial at the April term of the Hustings Court, but in the absence of a very important witness, the case was postponed until next month .-A statement of the circumstances attending the case was laid before Gen. Howard, at Washington, by the friends of the accused, with a view of getting his release from the custody of the civil authorities, and was referred by that officer to Col. Brown, Assistant Commissioner of Freedmen, &c., at Richmond. It was endorsed by Col. Brown, and forwarded to Gov. Pierpont, who approved it, and with his approval sent up to Gen. Terry, who referred it to Lieut Col. Anderson, commanding this post, with instructions to turn the prisoner over to Captain Barnes, and Capt. Barnes was directed to forward him to Col. Brown, with all the evidence in the city.

The order was served upon the Sergeant of the city, who, in view of his heavy bonds and responsibilities, declined to accede to it,, and there the matter rested last night.

Col. Anderson went to Richmond vesterday, with the view of further consultation with Gen. Terry, but as he had not returned at this writing-8 o'clock-we are not informed of the result.

The above, we understand, are the facts of the case. It the prisoner is returned, it will have to be done by force, and such action is involved with much interest and delicacy.-Petersburg Ernress. The Petersburg Index shows much feeling

The Duncan trial has again been resumed in Savannah. The examination of witnesses whenever these amendments are ratified by for the defence is now progressing. His counsel attempted to relieve him on a writ of habeas corpus, but the court overruled it. Gen. Canby has refused to obey writs of obers corpus in the cases of the Treasury agents arrested in New Orleans.

Isham Henderson has been arrested at Nashville by order of Gen. Thomas, for imdent, heads of departments, members of Con- plication in the late frauds, and the militagress, and Judges of the Supreme Court of 'ry have refused to obey a habeas corpus for
